THE Minister of the Interior, under date 2nd July, 1913, states that the Vancouver Power Company, Limited, of Vancouver, B.C., has applied for a portion of the bed of the Fraser River at Mission, B.C., upon which the Company proposes to lay submarine cables in connection with its power transmission line;

That the application has been favourably reported on by the resident engineer of the Department of Public Works at New Westminster.

The Minister, therefore, recommends that he be authorized to issue a licence of occupation to the Vancouver Power Company for the portion of the bed of the Fraser River required; the said licence to be for a term of ten years, at an annual rental of \$10, and renewable upon mutual agreement between the Minister of the Interior and the Company; any construction operations on the bed of the river to be subject to the provisions of the "Navigable Waters Protection Act," chapter 115, R.S.C., 1906.

The Committee submit the same for approval.
